THE
HENLEY
ROOM

HOSTING ON THE WATER

When planning an event there can be quite a few hidden costs that pop-up from vendor to vendor. But at The Henley Room, our pricing is straight forward + outlined for you. If you have any questions don't hesitate to contact one of our event managers.

Each booking requires a minimum 4 hour booking, and includes exclusive access to The Henley Room dining room, lounge and lobby. The rental also includes set-up and use of our available tables and banquet chairs. All events are required to reach a minimum spend, which varies by year and season.

Prior to the event, your booking will also include one 1hr planning session to help answer questions that you may have and co-ordinate the day of details.
